

FASE 00 - SICUREZZA E GESTIONE DEVIAZIONE DEL TRAFFICO

The figure is a detailed traffic management plan for the center of Fontanafredda, specifically for the 'FASE 00 - SICUREZZA E GESTIONE DEVIAZIONE DEL TRAFFICO' (Phase 00 - Safety and Traffic Diversion). It consists of several maps showing different road sections and their surrounding areas. The maps are color-coded to indicate different types of interventions and safety measures:

- Red dashed line:** DELIMITAZIONE AREA DI CANTIERE (Construction Area Delimitation).
- Yellow dashed line:** DELIMITAZIONE AREA DI CANTIERE (Construction Area Delimitation).
- Blue dashed line:** DELIMITAZIONE AREA DI CANTIERE (Construction Area Delimitation).
- Green dashed line:** DELIMITAZIONE AREA DI CANTIERE (Construction Area Delimitation).

The maps show various road sections and their surrounding areas, including:

- STRADA CHIUSA A 150 m:** A road closure sign indicating a 150m closure.
- deviazione:** Signs indicating the diversion route for traffic.
- Oscureamento cartello esistente di divieto in ingresso parcheggio:** A sign indicating the removal of an existing 'no entry' sign for the parking area.
- Deposito di cantiere:** A sign indicating the location of the construction site.
- Occupazione parcheggio:** A sign indicating the occupation of the parking area.

The maps also show various traffic signs and symbols, including:

- 30:** A speed limit sign indicating a maximum speed of 30 km/h.
- Blue arrows:** Signs indicating the direction of traffic flow.
- Yellow triangles:** Signs indicating a construction or maintenance area.
- Red circles:** Signs indicating a no entry or no parking area.

The maps are organized into several sections, each showing a different road section and its surrounding area. The sections are:

- Top left:** A map showing a road section with a deviation route.
- Top right:** A map showing a road section with a deviation route.
- Bottom left:** A map showing a road section with a deviation route.
- Bottom right:** A map showing a road section with a deviation route.

The maps are also accompanied by a legend and a table of contents.
